

## WHO IS AUFSITE?

Founded in 2016, **AUFSITE** is a boutique service integration firm with specialties across **Cloud, Infrastructure, and End User Computing technologies**. Our customers span the spectrum across SMB to Fortune 500 enterprises, to Non-profits and the Public sector. With our niche focus on our core centers of excellence, we have helped businesses like yours build opportunity through cost-effective IT solutions with a simplified operational and management model that ultimately enables you to focus on what matters most...your business.

## MISSION STATEMENT

To empower businesses with the transformative power of cloud technology to achieve their end user computing goals. We are dedicated to delivering innovative & scalable solutions that streamline operations, improve productivity, and enhance the end-user experience by integrating best in breed technologies.

## "3-Ds" DELIVERY via AGILE

Our **Discover, Design, Deploy** Methodologies ensure our customers are informed every step of the way with managed sprints and weekly project updates through our Mutual Plan that provides a single pane of glass view across deliverables and milestones.
